SHIMANO ULTEGRA / HALO / SYNTACE

JUST PACE

Your entry into singlespeed. Shimano wheelset, the black 105 crankset and brakes offer you a convenient bike.

PURE RACING

This bike is build up with the super-stiff Sram Omnium Track Crankset and the tough Bombtrack Arise Hub. Setup is completed with Sram Brakes and Levers. Combined with Syntace parts it offers pure performance.

JUST SPEED

Preferring a straight bar? Syntace parts combined with Shimano Ultegra Crankset and brakes make the perfect speedbike!
